

**Special session of COST Action
MP1406 MultiscaleSolar**

Thursday 31 August 2017 – Hall 103	
10:00-10:30	J. Zarbakhsh , Carinthia University of Applied Sciences, Austria <i>3D Printed Optics: Technology, Materials and Applications of 3D Printing in Optics, Photonics and Solar Photovoltaic</i>
10:30-11:30	C. David , IMDEA Nanoscience, Madrid, Spain <i>Enhancing solar cells with nanostructures</i>
11:30-12:30	Discussions between trainers and trainees
12:35-14:30	Lunch break
14:30-16:30	Free time for discussions
16:30-18:30	Poster session (Gallery of Science and Technology)

Friday 1 September 2017 – Main Hall	
16:20-16:50	Z. Amin-Akhlaghi , CEO, ZAMSTEC – Science Technology and Engineering Consulting, Austria <i>Innovation, Industrial Collaboration and funding opportunities</i>
